Hi Pia,

I have like 10 emails from the CCM president but CCM actually published them on their website  
[:https://www.ccm.edu/covid-19-information-center/](https://www.ccm.edu/covid-19-information-center/)

Just go down to "Dr. Iacono's Messages", those are straight from his emails to the faculty. There's a couple other ones in my email that I'll forward to you too, like this one, I'm not really sure what kind of stuff you're looking for so just lmk if there's anything specific.

Subject: Important Testing Center Information Effective Immediately

Dear Online/Hybrid Faculty,

Effective immediately, the Testing Center at the County College of Morris has suspended its testing operations to prevent any potential spread of the COVID-19 virus. All currently scheduled exams for Thursday, March 12, 2020 will proceed as scheduled. NO additional appointments are to be scheduled. All scheduled testing for Friday, March 13, 2020 and Saturday, March 14, 2020 is now canceled. Please contact the professor for your class for alternative options for your midterm and continually check the CCM website for COVID-19 updates.
