Subject: COVID-19 Update: Housing Credit for Spring 2020
To: <karenmani@gwu.edu>

Dear Karen Mani,

As a follow-up to our previous [announcement](#) about financial assistance, we are providing more details about how a credit will be applied to your student account for the nightly rate of your residence hall room starting March 20 through the end of the semester for the extended [virtual learning period](#). We hope this helps to limit any financial hardship you may face as a result of this transition.

The credit will be placed on your student account in the next few weeks. Once the credit has been processed, you will receive a notification from student accounts. After your credit is placed on your student account, a refund request can be made or the credit may remain on the account and be applied towards your housing for a future semester.

Please [stay informed of the latest updates](#) and prioritize your health and safety over the weeks to come.

Sincerely,

Mark Diaz
Executive Vice President and Chief Financial Officer
